Two trips to water parks:

Istralandia

Istralandia is a water park in Brtonigla municipality, Istria County, Croatia. It is located near the road that leads from Novigrad to Nova Vas, approximately 5 km from the Adriatic Sea. Opened for visitors in June 2014, it was the first Croatian water park. Istralandia water park covers the area of 81,000 m²

Aquacolors

Aquacolors is a waterpark near the town of Poreč in Croatia. Opened in May 2015, its construction covers 10 hectares and cost roughly 25 million euro. It's considered one of the largest waterparks in southeast Europe, and includes attractions such as water slides, a wave pool, lazy river and kids corner.

Or

Adventure park Sky Fox

Adventure park Sky Fox Poreč Istria is located in a beautiful oak forest, within the famous Motodrom Poreč, next to Tar, on the road Poreč-Novigrad. The park was built during the winter and spring of 2015 and is one of the largest and most modern not only in Istria but also in Croatia, and guarantees you a true adventure of free climbing and extreme sports. The capacity of the Park is about 100 people, the duration of the program is up to 3 hours

Return flight with EasyJet at 21:15. Arrival in Geneva at 22:45.
